Diamond Line Amethyst Pendant
Necklace

176 original reference entries

The styled photographs are AI visualisations from supplied reference images. They illustrate appearance and wearing context. Confirm the actual design, scale, metal, stone type, natural or laboratory-grown status, treatments, weights and availability before quotation or order.

MH-NCK-001

Pearl Choker Ruby Centre

EDITORIAL / WEARING CONTEXT

STUDIO / DESIGN DETAIL

A pearl-strand choker centred on a rectangular red-stone motif. The editorial styling draws attention to its balanced symmetry and framing at the neckline.

REFERENCE FOR ENQUIRY

MH-NCK-001

AI-styled from supplied reference. Final design, materials, scale and availability to be confirmed.

MH-NCK-002

Emerald Bead Multilayer Necklace

EDITORIAL / WEARING CONTEXT

Green bead strands meet an intricate, symmetrical centre. The model view explores the necklace at a natural wearing position.

STUDIO / DESIGN DETAIL

REFERENCE FOR ENQUIRY

MH-NCK-002

AI-styled from supplied reference. Final design, materials, scale and availability to be confirmed.

MH-NCK-164

Diamond Line Amethyst Pendant Necklace

EDITORIAL / WEARING CONTEXT

STUDIO / DESIGN DETAIL

A blue-violet rectangular pendant suspended from a graduated line of clear-stone motifs, newly styled from the larger Drive original. The descriptive mineral label is unverified.

REFERENCE FOR ENQUIRY

MH-NCK-164

AI-styled from supplied reference. Final design, materials, scale and availability to be confirmed.

Enduring partnerships.

An exceptional starting point.

Sculptural studs and intricate floral forms, brought into focus on the ear.

A legacy of over 40 years informs our perspective. MannHeera brings diamond and gemstone fine-jewellery design directions to retailers and distributors in Canada and international markets.

Green Amethyst Long Drop Earrings

330 original reference entries

The styled photographs are AI visualisations from supplied reference images. They illustrate appearance and wearing context. Confirm the actual design, scale, metal, stone type, natural or laboratory-grown status, treatments, weights and availability before quotation or order.

MH-EAR-002

Square Grid Diamond Stud

EDITORIAL / WEARING CONTEXT

A compact square arrangement with a curved metal grid. The studio and ear views make the geometry easier to understand.

STUDIO / DESIGN DETAIL

REFERENCE FOR ENQUIRY

MH-EAR-002

AI-styled from supplied reference. Final design, materials, scale and availability to be confirmed.

MH-EAR-005

Snowflake Diamond Statement Stud

EDITORIAL / WEARING CONTEXT

An intricate circular floral statement. The close-up explores its radial pattern and the visual presence of a larger stud.

STUDIO / DESIGN DETAIL

REFERENCE FOR ENQUIRY

MH-EAR-005

AI-styled from supplied reference. Final design, materials, scale and availability to be confirmed.

MH-EAR-312

Green Amethyst Long Drop Earrings

EDITORIAL / WEARING CONTEXT

Long pale-green faceted drops with two-tone fan-shaped tops and leaf-like prongs, newly styled from the larger Drive original.

STUDIO / DESIGN DETAIL
